

Quantitative Reports

Why

- To enable Hub officers, Establishment to measure the impact of what they do

What

- Metrix (Insert doc / guide)
- Equality Diversity and Inclusion (Insert doc)

How?

- Completed on a half termly basis by the last day of the half term
- Half term includes holiday prior to the half term started e.g. Summer Holidays in Half Term 1 Report

The key below demonstrates what needs to be completed and how frequently

	Complete every session/course/event
	Complete only once per individual (WHO WAS NEW THIS HALF TERM?)
	Complete update every half term to show EDI / non club player engagement
	No need for you to complete as we can access this data directly

Key performance indicators and metrix are collected about the following

People

- Number of coaches, referees and volunteers trained and deployed

Places

- Number of engagement sessions, CPDs and players transferred to community game
- Support of the player pathway for boys and girls

Playing

- Number of sessions and participants for all sessions in curriculum or extra curricular settings

Promote

- Support of inclusive rugby opportunities in the establishment and community
- Delivery of fit, fed and fun holiday provision

Partner

- Specific establishments will be targeted to work with The Open University to evidence the impact of the WRU Hub Programme on Individuals
- **WRU REACH Project** aims to evidence the impact against Rugby, Education, Attainment, Cohesion and Health
- More information can be found here (insert OU doc)
