

Easter Card Activity time!

Here is a really good Easter crafta lamb mask. It's pretty easy to make if you have an adult to help you. Will people know it is you wearing the mask?

Instructions

1. Print out the designs included in this activity PDF straight onto some card or paper.
2. With an adults help, carefully cut out the mask with some scissors.
3. Using coloured pens or pencils, colour in the mask and decorate it however you like – I used cotton wool on the head. you could put cotton wool all over if you have enough.
4. Then with an adults help, pierce the side holes and attach some string or elastic to wear it as a mask.

You will need:

Printer
Paper or Card Scissors
Coloured Pens or pencils /cotton wool
Glue
string / elastic
